## WORK EXPERIENCE

### The Neurobide

JULY 2025 - SEPTEMBER 2025

#### Tech and Media Intern

- Assisted in the design, development, and management of the company's WordPress website, ensuring a clean, modern, and user-centered layout.
  - Created and organized service pages (Consultation, Assessments, Therapeutic Intervention, Brain Training, etc.) to effectively communicate Neurobide's mission and programs.
  - Developed the Brain Gym page, integrating creative design elements that appealed to both children and adults.
  - Optimized page structure, navigation, and calls-to-action (CTAs) to improve user experience and client engagement.
  - Collaborated with the content and clinical team to transform complex psychological information into clear, accessible web content.
  - Implemented and configured WordPress plugins for booking, contact forms, and interactive sections.
  - Ensured website responsiveness and cross-device compatibility, maintaining a professional look on mobile and desktop.
-
